## IT IS A MATTER OF HEALTH

### ROYAL BAKING POWDER

Absolutely Pure  
THERE IS NO SUBSTITUTE

Judge Lawrence S. Trimble, a native of Fleming county, died a few days ago at his home near Albuquerque, New Mexico, in his eightieth year.

Miss Nannie M. Ross and Mr. J. Marvin McIntyre will wed Wednesday, October 5th, at the home of the bride's parents, Mr. and Mrs. Charles Ross, near Flemingsburg.

In the Fleming County Court suit has been brought against John Kackler, late of Fleming county, but now of this county, for taxes for 1899, 1900-1-2-3, on \$8,000 cash, notes, &c., which it is claimed were omitted in his list for those years.

A dispatch from Constance, Ky., says Jerry Rice, who disappeared from his home there four or five weeks ago, had returned. He had been in this city ever since he left home. A body was recently found in the river, and was supposed to be that of Rice.

Mr. George Montague, Vice-President of the Leather Workers Union, who was called here to settle a controversy among the workers for the Keith-Schroeder-Hargess Company, as stated in yesterday's LEDGER, left for his home at St. Louis last afternoon. After getting the facts, Mr. Montague said he couldn't see any ground for trouble, and advised the men to go to work. Evidently, Mr. Montague is a man of sense—instead of a Walking Delegate.

Sam Wood Bragel, who was cut Sunday at Cherry Grove Campmeeting, is reported in a critical condition.

Hon. Walter Matthews of Mayslick and Mr. and Mrs. Henry J. Shea of this city are registered this week at the Kentucky Building at the World's Fair.

There will be a regular meeting of Joseph Heiser Post tomorrow night. Let all Comrades be present as business of importance will be transacted—the election of a Chaplin and other matters.

## BASEBALL MONDAY

Crack Georgetown Players Will be Here For a Game

The Maysville Locals will cross bats with the Georgetown (O.) team on Monday, Labor Day.

The game promises to be the best of the season, as the Georgetown team has lost four out of 28 games, while the home boys have succeeded in securing seven straight victories from teams which bear good reputations as excellent ball players.

Let as many as can turn out and make the day a big one for the boys, as they deserve a large crowd.

### "There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

Mrs. Mary Slack of Frankfort is the guest of relatives in Covington, accompanied by Mr. and Mrs. Major Slack and their young son. They are en route from a week's visit to the World's Fair, and go later to Georgetown, to be the guests of Dr. and Mrs. Bryan.

Stated convention of Limestone Lodge No. 36, K. of P., this evening at 7:00.

GOFFREY HUNCKEL, C. C.  
JOHN L. CHAMBERLAIN, K. of R. and S.

Regular monthly meeting in Washington Opera house building this evening at 7:00.

THOMAS A. DAVIS, President.  
C. W. McCLANAHAN, Secretary.

## THE Auto-Piano.

The Invention of the Age. Call at John I. Winter's Store and Examine This Marvel.

In appearance it is only a handsome Mahogany Piano, such as you see in many fine homes, but with it those who are fine performers can produce a volume of harmony beyond the ordinary piano, while those who are unable to play one single note of music by simply pressing a concealed button can play the most difficult compositions of the old masters as only a Paderewski can. Your friends will think that you have become a fine performer in a night. It is wonderful.

We take pleasure in announcing to our patrons that Haywood Seminary for girls will reopen for its nineteenth annual term of work September 12th. Correspondence as to particulars and requests for catalogues are solicited. 201 1st Miss FANNIE L. HAYS, Principal.

## WHY PAY EXORBITANT PRICES FOR YOUR PLUMBING?

We will do it for you at legitimate prices and as near correct as science has developed the art. We do house heating that is successful; no experimenting. Good work, proven by time and successful operation, is our recommendation.

## THE SIGN OF THE CROSS COMING.

After two years' correspondence it has been definitely settled that this famous play will at last be seen in our city. The Sign of the Cross has been a very strong attraction the past seven years in all the larger cities and it has been almost impossible for our local manager to secure this play. The Sign of the Cross has never, in reason, played on night stands. It is a beautiful play and it is a beautiful play will be presented.
